

## 2. Manufacturer's Statement Of Responsibility

This equipment has been tested in accordance with the requirements contained in the appropriate Commission regulations. To the best of my knowledge, these tests were performed using measurement procedures consistent with industry or Commission standards and demonstrate that the equipment complies with the appropriate standards. I certify that each unit manufactured, imported or marketed, as defined in the Commission's regulations, will incorporate the modifications Required For Compliance (if any) as indicated in Section 4.6 of this Test Report. I further certify that each unit manufactured, imported or marked, as defined in the Commission's Regulations will conform to the sample(s) tested within the variations that can be expected due to quantity production and testing on a statistical basis. I additionally certify that the necessary measurements were made by:
